

Directions to Longparish Village Hall

From Andover take the A303 East towards Bullington Cross (the junction with the A34). Turn left after the filling station onto the B3048 to Longparish.

From Bullington Cross take A303 West towards Andover and then take the B3048 into Longparish (the orange road on the map). This involves dropping off the A303 (the red road on the map) at the Wherwell exit and turning right over the flyover towards Longparish.

Once you are on the B3048 go past the two roads on the right to Forton. Go past the next road which is the Middleway which goes off to the left. Just after that is the cemetery past a beech hedge. The hall is the first building on the left after the cemetery. If you get to the school or the Plough pub then you have gone too far.

There is parking at the rear of the hall or in a car park on the other side of the road.
